# DataComm Networking Solutions from Schaedler Yesco

## Schaedler yesco

One of the ways Schaedler Yesco (SYD) distinguishes itself from the competition is with our dedicated DataComm team, providing solutions to a wide range of applications. The team, which has over 60 combined years of experience, specializes in a variety of areas including data connectivity, telephony, surveillance, uninterruptible power supplies (UPS), system design, and air conditioning products. Our staff includes a Certified BICSI Trainer, APC specialist, and CCTV specialist. SYD also has an in-house BICSI Training Center, as well as an APC Demo Center.

Providing turnkey solutions for all data, voice, UPS, and surveillance systems, our DataComm team has access to hundreds of quality products and services from the industry's top manufacturers. Combine all this with dedicated, responsive, and friendly customer service and it's easy to understand why Schaedler Yesco is a perfect fit for your DataComm solutions.

## Structured Cabling & Connectivity

- Category Cable (UTP, ScTP STP, Cat3 thru 6A)
- Patch Panels
- Racks and Cabinets
- Cable Management
- Modular Jacks
- Cross Connect (66 and 110 blocks)
- Fiber Optic Cable
- Splicing Enclosures
- Certification Testers
- Media Converters
- Fire Stopping
- Grounding & Bonding
- Building Entrance Protectors

## Data Center Solutions

As Data Centers face the continued need to expand, the fundamental concerns and needs remain the same. Key concerns for the data center are reliability, manageability, and flexibility. SYD has the following products and solutions to help you meet these challenges:

- Uninterruptible Power Supplies (UPS)
- Cooling Solutions
- Power Distribution Units (PDU)
- Management Software
- Generators
- Switches
- Green Energy Efficient Products

## CCTV (Closed Circuit Television) & Access Control

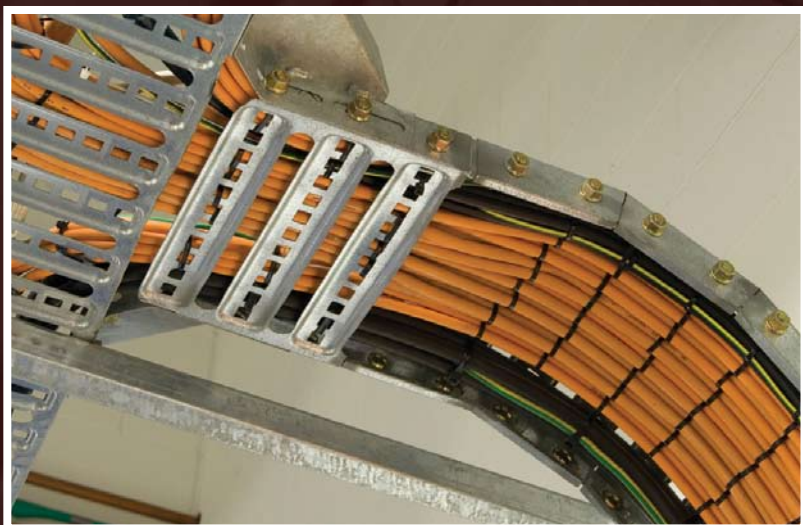

- System design and installation recommendations
- Digital Video Recorders (DVR), Network Video Recorders (NVR)
- Cameras - Dome, Box, Pan-Tilt-Zoom, Internet Protocol (IP), and Bullet
- Monitors
- Video Accessories, Twisted Pair, and Fiber Transmission for CCTV
- IP based Access Control (Wired and WiFi)

## BICSI Training Center

BICSI is the worldwide preeminent source of information, education, and knowledge assessment for the constantly evolving information transport systems industry. Schaedler Yesco is a BICSI Authorized Training Facility because we believe in the ideals that BICSI promotes.

BICSI's Cabling Installation Program strives to offer high quality training in proper installation of telecommunications cabling systems within customer building premises.

BICSI Training Programs provide for:

- Proper design and installation of high performance cabling systems
- The need for a multi-tiered competency based career path for industry installers
- An unbiased method for customers to select installers and companies that adhere to the highest industry standards
- The need for vendor independent criteria to identify competent installers
- Voluntary monitoring of installation quality through registration and training
- Employers have the means of measuring the competency of job applicants

# Quality Partners and Products

## Cabinets, Racks, & Enclosures

- APC (American Power Conversion)
- Great Lakes
- Hoffman
- Hubbell Premise Wiring
- Middle Atlantic Products

## Closed Circuit Television (CCTV) & Access Control

- BlueWave
- Digital IDView
- Luxon Video
- Speco Technologies
- Visual Management Systems

## Copper Cable

- Commscope
- General Cable
- Hubbell Premise Wiring
- West Penn Wire

## Connectivity

- 3M
- Hubbell Premise Wiring
- OnQ
- Pass & Seymour
- Premier
- Semtron

## Delivery Systems

- Caddy
- Chalfont
- FlexTray
- Hubbell Premise Wiring

## Fiber Optic Cable

- General Cable
- Optical Cable Corporation

## Fire Stop

- 3M
- STI (Specified Technologies Inc.)

## Patch Cords & Cable Assemblies

- Hubbell Premise Wiring
- Lynn Electronics Corporation

## Networking Products

- Cisco Systems
- N-Tron
- Rockwell Automation
- Transition Networks

## Surge Protection

- APC (American Power Conversion)
- Circa Telecom
- TPS (Total Protection Solutions)

## Tools & Testers

- Fluke
- Greenlee
- Hubbell Premise Wiring
- Ideal Industries

## Uninterruptible Power Supply (UPS) Systems

- APC (American Power Conversion)
- Powerware
