

Schaedler Yescó Distribution is pleased to announce that they have entered into a new HVAC marketing initiative. This new program focuses on electrical solutions for various HVAC applications. Below is a list of application types and products that are available in this new program.

➤ **HVAC Motor Control:**

ALLEN BRADLEY Variable Frequency Drives, Reduced Voltage Starters, Combination Starters & Manual Starters

SIEMENS Safety Switches

➤ **Electrical Heating Terminal Units:**

QMARK Cabinet Unit Heaters, Baseboard Heating Units, Wall Heaters, Ceiling Heaters & Radiant Heaters

➤ **Other HVAC Related Products:**

EASY HEAT Electric Heat Trace, Pipe Freeze Protection, Floor Heating & Snow Melt Systems

Other capabilities in the HVAC market include the following:

- VFD Application and Product Design
- Technical Support to Include Startup and Training
- Spare Parts and 24 hour Emergency Phone Support
- Plan/Spec Takeoff Support through Online Plan Services: Altoona Builders Exchange, Harrisburg Builders Exchange and FW Dodge Plan Services
- Product scope coordination with MEP Engineers, HVAC Contractors, Electrical Contractors, Building Automation Companies, HVAC Equipment Suppliers and Commissioning Agents
- Estimated VFD Energy Savings Reports

Any questions regarding the above HVAC product solutions, please contact your local SYD sales representative or John Polites at extension 2423.

SCHAEDLER YESCO - HVAC PRODUCT SOLUTION MATRIX

HVAC Product Solution	Product Type	Manufacturer
HVAC Motor Control	Variable Frequency Drives	Rockwell Automation/Allen-Bradley
	Solid State Reduced Voltage Starters	Rockwell Automation/Allen-Bradley
	Combination Motor Starters	Rockwell Automation/Allen-Bradley
	Manual Starters	Rockwell Automation/Allen-Bradley
	Safety Switches	Siemens Energy & Automation
Electric Terminal Heating Units	Cabinet Unit Heaters	Qmark / Marley / Berko
	Baseboard Heaters	Qmark / Marley / Berko
	Wall Heaters	Qmark / Marley / Berko
	Ceiling Heaters	Qmark / Marley / Berko
	Convactor Heaters	Qmark / Marley / Berko
	Radiant Heaters	Qmark / Marley / Berko
	Air Curtains	Qmark / Marley, Powered Aire
Other Electrical Products	Pipe Freeze Protection	Easy Heat
	Roof & Gutter Deicing	Easy Heat
	Radiant Heating	Easy Heat
	Floor Heating	Easy Heat
	Snow Melting System	Easy Heat
	Heat Trace	Easy Heat
	Misc HVAC Sensors	Kele

Any questions regarding the above HVAC product solutions, please contact your SYD sales representative.
